Texto “Best things to do in Barcelona”

While reading

Actividad 3; Lee el texto y responde las preguntas.

a) ¿Qué estilos arquitectónicos se combinan en la Sagrada Familia?

will have seen in your life. The Sagrada Familia combines several architectural styles, including, Catalan Modernism, Art Nouveau, and Gothic, but Gaudí's **masterpiece** defies these kinds of definitions when you look up to the ceiling of the sanctuary.

## b) ¿Qué puedes comprar en “La Boquería”?

**La Boquería:** This is an iconic sight and an educational experience. There has been La Boquería **market** in Barcelona since medieval times, though this exact spot has only witnessed trade for about 200 years. That elegant distinctive iron and glass roof you will see was put up in 1914. In the market you can find many things, such as

vegetables, cold meats, cheese as well as olive products. At the center of the market you can also find an oval-shaped plan corner of **fishmongers**. At the end of your visit, you can also cool off with a beer and a tapa at one of the market's bars.

## c) ¿Qué puedes ver en el Museo de Historia de la ciudad de Barcelona?

### **Barcelona City History Museum:**

The History Museum preserves a few Roman sites across the Gothic Quarter, such as the Temple of Augustus and the Funeral Way of Placa de la Vila de Madrid. But Placa del Rei is where you can see Barcelona's ancient history in detailed layers. You will take an elevator down to where the remnants of a garum factory (garum is a fish sauce), laundries, dyeing shops and parts of ancient Barcino's Roman walls are all visible. The site is large, covering 4.000 square meters, which you will explore via elevated **walkways**. As you rise through the museum building you will step forward through time and enter the vaults of the Palau Reial Major, seat of the medieval Dukes of Barcelona.
