Hi, I'm Scott. On school days, I always get up at quarter past seven. I usually have cereal and orange juice for breakfast. I go to school at half past eight. At school, my favourite subjects are Science and Spanish. I don't like Art. Painting and drawing are difficult for me! I go to football practice twice a week after school. I like doing exercise. It's good for you. I usually have dinner at seven o'clock. I always do the dishes after dinner. Then, I sometimes read books and play computer games with my sister.
